

Leadership Team Bios

Sandra Allars

Founder And Director

Sandra is the passionate driver and visionary of TCMM. Her tenacity and enthusiasm for business has led to thousands of clients benefiting from our service. Sandra strives to continually 'keep moving forward' and is developing the TCMM 'Massage on Purpose' course to raise up the next generation of therapists required to meet the growing demand for in-home services from the over 65s.

Simon Allars

Accounts Manager

Simon is TCMM's chief bean counter and admin nerd. His eye for detail has helped to steer the Company through many challenges over the past two decades. With a varied background in banking, customer service, communications and finance, he is right at home with words and numbers.

Abbey Norris

Assistant Manager

Abbey is TCMM's much loved all-rounder. She brings a wealth of skills to the Company including marketing, client care, systemisation, statistics and constant support to the Support Office and Leadership Team. Abbey is a great asset and lives the TCMM motto of 'Taking Care of Everyone, Everywhere, Everyday.

Suzie Lazarovski

Practice Manager

Suzie is the latest addition to TCMM's Leadership Team. Her many years of experience with staff management, business operations and problem solving has already impacted the Company through greater efficiencies and client care. Suzie loves the challenges of a growing business and we are thrilled to have her on the TCMM Team.
